NOTICE

RE: ISSUANCE OF THE 2025 KENYA VETERINARY BOARD IDENTIFICATION CARDS

In reference to the above subject matter, we wish to make reference to Part III – C of the VSVP Act regarding general provisions as to registration.

Pursuant to Section 21 (1), (2) and (3) of the VSVP Act, 2011 retention fees shall be paid before the 31st December 2024. Practitioners should also have the prerequisite CPD points for the year under review as stipulated in Regulation 17 (2) of VSVP Regulations 2013. Further, by dint of Section 21 (4), all payments for retention purposes shall be evidenced by or any other document held by the paying member as prescribed by the Board (in this regard, and specifically the 2025 KVB identification card).

From the foregoing, possession of 2025 KVB ID card is only an endorsement of payment of retention fees. However, for anyone who pays after the statutory date, entry into the 2025 registers is subject to approval by the Board as stipulated under section 22 (1) of the VSVP Act.

Be advised accordingly.
